Members of the class are privileged to ask their friends.

By the Woman's Club.
A brilliant and fashionable audience filled the auditorium of the John Marshall High School last evening for the annual concert given by the Woman's Club. This concert is the closing musical of a series of very interesting affairs that have entertained the members of the club this season, and was one of the most pleasing concerts given by the Philharmonic Orchestra in this city. The program was well chosen, and the audience was most enthusiastic in its applause. Grieg's "Norwegian Dance," No. 2, being perhaps the most pleasing selection.

Mrs. Walter C. Mercer, as soloist of the evening, was enthusiastically received. She has a perfectly lovely soprano voice and a charming personality that won her audience at once.

W. Henry Baker, conductor of the orchestra, is quite prominent in musical circles here, and the orchestra is composed entirely of local talent.

Mrs. A. E. Hoeh was chairman of the evening. The concert was a big success, a fitting close to the number of musical functions given at the Woman's Club in the past several months.

Sour Stomach, Bowel Trouble, Dizziness

Letters like the one recently received from Mr. Rader are convincing proof that Duffy's Pure Malt Whiskey is the world's greatest tonic stimulant and medicine, and that it does all and more than is claimed.

"For the past two years I suffered indescribable misery from a complication of troubles, especially in my stomach and bowels, and I had spells of dizziness, which frequently caused me to fall from my chair or off my feet.

"Two months ago I started using Duffy's Pure Malt Whiskey, and I owe my life to its use. It has built up my weakened system and prevents sour or sick stomach. It gives me the most natural appetite I have had in my life, and since I began using it I have gained 12 pounds, over one pound a week. I shall always praise it, and do all I can to advance its use by suffering humanity."—C. H. Rader, Lewisburg, W. Va.

Duffy's Pure Malt Whiskey is willing to stand on its record of 50 years and on what the people who have tried it say about it.

Pause and think: it is the only medicine or remedy that has been before the people more than 50 years and has stood the most searching analysis and tests, yet always been found absolutely pure and the standard of excellence.

Duffy's Pure Malt Whiskey is the only whiskey that was taxed by the Government as a medicine during the Spanish-American war.

Sold in SEALED BOTTLES ONLY by druggists, grocers and dealers everywhere, or shipped direct for \$1.00 per large bottle.

MANY CHARTERS TO BE ANNULLED

Corporation Commission Kindly Notifies Concerns of Impending Disaster.

About 450 corporations which have not paid their fees to the State for the years 1909 and 1910 will to-day receive little notes of reminder from the State Corporation Commission. Note the diplomatic language used by Clerk R. T. Wilson in this delicate matter:

"The commission is unwilling to allow the charter of your corporation to be forfeited without calling your attention to the fact that failure to pay the fees for the years 1909 and 1910 will, on May 31, 1911, operate without further proceedings as a revocation and annulment of the charter."

The amounts due by these concerns vary in accordance with the capital stock, the minimum being \$15.75. This includes the registration fee for three years and the penalty. Five per cent. penalty is assessed for failure to pay these assessments before March 1 of the year for which assessment is made, with 6 per cent. interest on the franchise tax, and on the penalty from that date to May 31, 1911.

Settlement must be made by bank draft or certified check payable to the Treasurer of Virginia. This applies both to concerns chartered in Virginia and to those foreign corporations which have procured certificates of authority to do business in this State.

THE REAL FACTS ABOUT MRS. FINCHER

As Told by Herself, in a Letter Lately Received, Giving Full Particulars About Her Case.

Peavy, Ala.—"I had been troubled a little for about seven years," writes Mrs. Lude Fincher, of this place, "but was not taken down until March, 1907, when I went to bed and had to have the doctor.

"He did all he could for me, but I got no better. I hurt all over, even to my arms, so badly I could not rest. I had pains in my sides, back, bowels, shoulders and chest. I can't tell how I did suffer.

"At last I began to take Cardui, and I hadn't taken but half a bottle until I began to improve.

"I continued to take it until I had taken four bottles, and now I am in very good health and able to do all my house work."

You may wonder why this medicine is so successful in curing sick women, after other medicines have failed. The answer is not far to seek.

Cardui is successful because it is composed of ingredients that act specifically on the womanly constitution. It is not a cure-all. It is a medicine for women, and only for women. Its success is due to its merit.

Try it.

case, and to assure his return here for trial. An indictment from the war court, issued, will be secured in the Hastings Court and immediately taken to the registrar, save in the case of young voters, who have but one year's taxes to pay, or those who have moved into the State between two and three years ago, who must show receipts for two years.

Attorney Shelton, for the Radium Spray Company, held a conference with Detective Captain McMahon yesterday afternoon and was assured that for the present, at least, there was no danger that Morse would get away from the officers through technicalities. Earlier in the day there was some quick action around headquarters. A telegram was received from Chief Farnan, of Baltimore, asking for a certified copy of the indictment against Morse, and it looked like a close race, until Major Sylvester's telegram arrived.

The case was worked up from this end by Detectives Bailey and Belton, who gathered the information that led to his detention in Baltimore. Sergeant Bailey doubtless will be sent for him when he is ready for trial here.

[Special to The Times-Dispatch.]

Raleigh, N. C., May 15.—The encampments by regiments of the North Carolina National Guard, at Camp Glenn, Morehead, this summer will be held July 10 to August 10. This decision was reached in a conference today between Governor Kitchin and the advisory board of North Carolina National Guard, composed of General B. S. Royester, of Oxford; General F. A. Macdonald, of Henderson; Colonel J. Gardner, First Infantry, of Shelby; Colonel H. C. Bragaw, Second Infantry, of Washington; Colonel J. N. Craig, Third Infantry, of Hidsville. The conference resolved the selection of the following dates for the regiments to be in camp: First Infantry, July 10 to 17, inclusive; Second Infantry, July 20 to 27, inclusive; Third Regiment, August 3 to 10.

The Bank of Hoke, of Hoke, took steps at once for the erection of two badly needed storehouses for Camp Glenn for the quartermaster's supplies in the campground, and the other will be on the ridge range for ordnance supplies.
